

NEVER MISS A CHANCE TO OFFER YOUR CLIENTS THE BEST.

Propelled by the success of our long-standing history of underwriting for the Canadian travel insurance industry, RSA embarked on the journey toward becoming the country's travel insurer of choice in 2011, with the creation of a new travel insurer division called RSA Travel Insurance Inc.

We're here to help, every step of the way.

We're committed to helping our brokers give their clients convenient, comprehensive coverage, whenever and wherever they need it. We offer a full complement of specialized travel and health insurance products and services, for both group and individual programs, including:

Travel Now!

Provides comprehensive emergency medical multi-trip annual travel insurance designed exclusively for sale by Property & Casualty brokers, creating an opportunity for a new and continuous revenue stream with the convenience of annual automatic renewal. Travel Now! is ideal for Canadian travellers and their family members, who are customers of Property & Casualty brokers.

Medi-Select Advantage Travel Insurance.

Superior emergency medical travel insurance product for Canadian snowbirds and vacationers of all ages, providing coverage for out-of-province/country medical emergencies at competitive rates.

The journey ahead.

To help our brokers increase consumer trust in and awareness of travel coverage, we're dedicated to providing them with the highest quality products and simple, straightforward service so that they can, in turn, educate their clients, and offer them reliable, trustworthy solutions and support.

An integral part of that support comes from RSA Travel Insurance's long-term partner, Global Excel, which provides multilingual assistance worldwide, 24 hours a day, seven days a week. Global Excel has a deep understanding of our values and is committed to superior customer service throughout the entire claims process.

We make it easy for you, so you can make it easy for your clients.

For excellent products and simple, straightforward service you can trust, contact RSA today.
